Stokesbary ADOPTED 03/29/2019

EFFECT: Replaces a 13.5 percent increase for supported living providers on January 1, 2020, with funding for the DSHS-Developmental Disabilities Administration (DDA) to increase rates for supported living providers by 4.4 percent July 1, 2019; by 12.2 percent on January 1, 2020; and by 10.0 percent on January 1, 2021. Maintains language that requires that funding be used to improve the recruitment and retention of quality direct care staff. Requires the DSHS Long-Term Care program to rebase Medicaid rates for nursing homes in FY 2020 using 2017 cost reports, in addition to rebasing rates in FY 2021 using 2018 cost reports as required under the percentage increase after rebasing and the average rate of inflation. (9) The direct care component provided in subsection (3) of this section is subject to the reconciliation and settlement process provided in RCW 74.46.022(6). Beginning July 1, 2016, pursuant to rules established by the department, funds that are received through the reconciliation and settlement process provided in RCW 74.46.022(6) must be used for technical assistance, specialized training, or an increase to the quality enhancement established in subsection (6) of this section. The legislature intends to review the utility of maintaining the reconciliation and settlement process under a price-based payment methodology, and may discontinue the reconciliation and settlement process after the 2017-2019 fiscal biennium. (10) Compared to the rate in effect June 30, 2016, including all cost components and rate add-ons, no facility may receive a rate reduction of more than one percent on July 1, 2016, more than two percent on July 1, 2017, or more than five percent on July 1, 2018. To ensure that the appropriation for nursing homes remains cost neutral, the department is authorized to cap the rate increase for facilities in fiscal years 2017, 2018, and 2019." Renumber remaining sections consecutively and correct internal references. Official Print current law. Increases the amount of funding provided for Assisted Living Facility Rates from 57 percent funding of the assisted living rate model to 75 percent funding of the assisted living rate model. Provides funding for the Health Care Authority to hire 10 additional FTEs for the program integrity unit. Assumes net savings (total funds) of \$352.5 Million will be achieved through increased recoupments in the managed care program.

FISCAL IMPACT:

Decreases General Fund-State by \$401,000.

Decreases General Fund-Federal by \$139,774,000

Increases other funds by \$1,000,000.
